

General Order No. 01-15

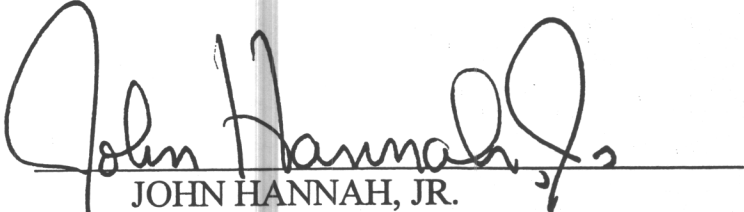

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS

GENERAL ORDER REGARDING PRINTING FEES AT COURTHOUSE
PUBLIC ACCESS TERMINALS

The Judicial Conference of the United States recently approved a 10 cents per page fee for printing copies from public access terminals in the courthouse. In order to minimize the burden of collecting this fee when small numbers of pages are printed, it is hereby ORDERED that an exemption from the fee is granted to any litigant, attorney or member of the public who prints ten or fewer total pages during a single visit to a courthouse.

Signed this 24th day of October, 2001.

FOR THE COURT:

JOHN HANNAH, JR.
Chief Judge
